S i r:

Further to the above-identified Application, there is enclosed herewith the fully facsimile-executed Declaration of Mr. Ken Ohmura. As the Examiner will note, the enclosed Declaration is identical, in all respects, to the unexecuted copy previously filed with our Response of June 9, 2003 except that, in Paragraph 4, the last two sentences were added to show the reason why the two different water weights were chosen for washing of Cheng's material.

In view of the foregoing and the enclosed, it is believed that this Application is now in condition for allowance, and such action is respectfully requested.

Should any extensions of time or fees be necessary in order to maintain this Application in pending condition, appropriate requests are hereby made and authorization is given to debit Account # 02-2275.

Respectfully submitted,
